A three bedroom traditional semi-detached home situated in this popular cul-de-sac location on the edge of Harborne. The property requires full renovation works throughout but has fantastic scope and potential to be turned into an excellent family home or investment. Including off-street parking and good sized rear garden. No Upward Chain. ****CASH BUYERS ONLY****

The property has a gas central heating system although please note this has not been checked for its adequacy, and includes double glazing in areas. Off street parking is accessible to the front with a shared driveway access with the neighboring access road. The property accommodation briefly comprises entrance hall, traditional front and rear reception rooms with an additional conservatory, space for kitchen, three generously sized bedrooms and a family bathroom.

The property is situated in this quiet cul-de-sac location, just around the corner from the green grounds of Queens Park and the local shopping facilities available on Court Oak Road and Harborne High Street respectively, these include high street shops, award winning eateries and fantastic gastro-pubs providing something for everyone. Along with a fantastic school catchment the property also provides readily accessible transport services to the Queen Elizabeth Medical Complex, Birmingham City Centre and Birmingham University.

ENERGY PERFORMANCE CERTIFICATE

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

These particulars are intended to give a fair and reliable description of the property but no responsibility for any inaccuracy or error can be accepted and do not constitute an offer or contract. We have not tested any services or appliances (including central heating if fitted) referred to in these particulars and the purchasers are advised to satisfy themselves as to the working order and condition. If a property is unoccupied at any time there may be reconnection charges for any switched off/disconnected or drained services or appliances - All measurements are approximate.
