An exciting opportunity to acquire an attractive 1930s detached residence, situated in a highly sought-after location and occupying a generous mature plot extending to approximately 0.23 acres.

A key feature of this offering is that part of the existing garden benefits from planning permission for the erection of a new detached dwelling, presenting excellent potential for development, investment, or multi-generational living.

The existing property retains a wealth of original character features and has been thoughtfully upgraded in recent years. The accommodation is well-proportioned and ideally suited to family living, comprising a welcoming entrance hall with original oak flooring, a charming dual-aspect lounge, and a spacious separate dining room. There is also a well-appointed fitted kitchen with integrated appliances, a useful utility room, and a ground floor W/C.

To the first floor, arranged off an attractive galleried landing, are four generously sized bedrooms, a modern shower room, and a separate W/C with potential to reconfigure the shower room and WC to provide an en-suite (STP's)

Externally, the property enjoys mature gardens to three sides, featuring sweeping lawns, established planting, and a large patio seating area ideal for outdoor entertaining. To the front, there is driveway parking leading to a detached double garage.

The generous plot and existing planning consent significantly enhance the appeal of this property, offering a rare opportunity to secure both a substantial family home and a valuable building plot in one purchase.

The guide price reflects the combined price of the existing dwelling together with the adjoining building plot.
