About The Property

The property is a well appointed ground floor apartment formed partly from the old Salisbury museum building and has a favoured position within this popular retirement complex for the over 55's.

St Ann Place was developed in 1984 and lies within easy reach of the city centre. It offers good communal facilities including a magnificent rotunda residents lounge, guest suite, laundry room, communal garden with seating, parking and also a resident manager for the assistance of the residents.

The well proportioned accommodation comprises a communal and private entrance hallway, a sitting/dining room which leads in to the kitchen which has an integrated oven, hob and fridge/freezer. There are two good size bedrooms both with fitted wardrobes and a shower room.

The apartment is situated to the rear of the block and backs onto the communal, southerly aspect rear garden in to which there is direct access. It is presented in excellent order throughout and further benefits include gas fired central heating by radiators and double glazing throughout.

There is an entry phone system and alarm pull system in the flat itself. There is a communal parking area for residents and visitors which is used on a 'first come, first served' basis. The communal garden is laid to lawn with shrubs, trees, flowerbeds and seating. Just outside the sitting room is a small paved area for owner's pots and chairs.
