# In Detail

Set within a detached Victorian building, this expansive three bedroom maisonette occupies the entire first floor, extending to approximately 1036 sq ft / 96.3 sq m. Accessed via a private entrance, the apartment pairs generous proportions with a well-appointed and adaptable layout.

The interior is characterised by an interplay of period detail and considered modern intervention. High ceilings and large windows allow for plenty of natural light, while original fireplaces provide a characterful feel. Storage has been thoughtfully integrated throughout, allowing the spaces to remain visually uncluttered.

At its heart lies an open-plan kitchen and living space, arranged for both everyday use and informal gatherings. The kitchen is fitted with clean-lined cabinetry and solid wood countertops, and has a gently stepped arrangement. Elsewhere, a contemporary bathroom is complemented by a separate walk-in shower and an additional WC. Air conditioning has been installed throughout.

To the rear, a substantial private garden is accessed directly from the property and extends the living space outdoors. The owners have lovingly cultivated by adding a decked seating area, contemporary fencing, a boxed herb planter and a veg garden. Off-street parking is provided to the front.

The apartment is offered with no onward chain and includes a share of the freehold. Additionally there is the possibility for a loft extension (STPP).

Positioned within easy reach of both Penge East and Penge West stations, the location provides swift connections into central London. The independent shops and cafés of the High Street are nearby, as are the open expanses of Crystal Palace Park.
