A distinctive and characterful semi detached three to four bedroom family home offering approximately 1,579 sq ft of versatile accommodation, set on a generous plot along one of Hove's most established residential avenues.

The ground floor accommodation has been thoughtfully arranged and centres around an impressive extended kitchen dining room, which forms the heart of the home. This space is enhanced by a vaulted ceiling with exposed beams and a Velux roof window, creating a bright and spacious environment with excellent natural light. Double doors provide a direct connection to the rear garden, making this an ideal space for everyday family life and entertaining.

To the front of the house is a well proportioned reception room, currently used as a bedroom, featuring exposed wooden floorboards, a character fireplace and a square bay window overlooking Holmes Avenue. The ground floor also incorporates a further bedroom or separate study, offering flexibility for home working, guest accommodation or multigenerational living, along with a convenient ground floor shower room.

The first floor provides two generous double bedrooms served by a family bathroom. From the principal front bedroom, stairs rise to a mezzanine study, which leads through to a loft room, ideal for use as a creative space, dressing room, additional bedroom or private work area.

Externally, the rear garden is of excellent size, offering a good degree of privacy and backing directly onto the allotments, creating an open and attractive outlook. Set within the garden is a detached workshop or studio, accessed independently from the garden and well suited to hobbies, music, home working or professional use. To the front of the property there is off street parking.

Overall, this is a home that successfully combines character, flexibility and individuality, with scope to further enhance if desired, subject to the necessary consents.
