Jodie says:

For me, versatility really is the buzzword with this home! The garage conversion has created a fantastic extra room downstairs that can be whatever you need it to be - a bedroom, playroom, or even a home office. The downstairs space overall is just brilliant. The living room sits at the back within the extension, with Velux windows filling it with natural light and a lovely log burner adding a cosy touch for those winter months. The room flows seamlessly into an area with a breakfast bar, then through to the modern, well-equipped kitchen, a perfect setup for bringing family and friends together. There's even a handy guest WC as well as a utility down here too!

Upstairs, you'll find four generously sized bedrooms, all with built-in storage. Bedroom One is a real highlight, featuring sleek fitted furniture and a stylish en-suite, a truly stunning space. The family bathroom is equally as impressive, with Bluetooth mirror, smart Aqualisa shower, a rainfall shower and a splash of colour adding a modern feel.

Outside, the low-maintenance garden offers multiple areas for dining, play, and storage. To the front, a large driveway provides parking for up to three vehicles, and you'll instantly notice the great kerb appeal as you arrive. All in all, it's a wonderful family home in a desirable area, close to good schools and local amenities."

About the area:

This area is always highly sought after by families in large part due to the excellent schools. There is a great selection of local shops, pubs and cafes all within walking distance, a choice of different parks for children and dog walkers alike and some lovely walks along the canal. Chellaston also benefits from excellent road links being just off the A50 and with Infinity Park Way also having opened in recent years.

Schools:

This home is within the catchment area of Chellaston infant/junior school and Chellaston Academy secondary school.
