Fantastic opportunity to purchase a two-bedroom semi-detached villa on the West side of the river enjoying a convenient location close to Inverness city centre, schools and local amenities, the property presents an excellent opportunity for first time buyers, young families, downsizers or investors alike. The bright, open lounge/diner benefits from a large front-aspect window that floods the space with natural light and offers a pleasant outlook over the front of the property with enough space for a small dining table and chairs. There is a deep built in cupboard that provides generous storage.

The kitchen is well equipped with an integrated oven, gas hob, extractor fan, fridge and freezer, along with designated space for both a washing machine and a dishwasher.

Upstairs, there are two well proportioned double bedrooms, one featuring a large built in cupboard and the other fitted with triple wardrobes. The family bathroom completes the accommodation and includes a shower over the bath.

The property enjoys double glazing to the front and single glazing to the rear, and benefits from gas central heating throughout.

Outside, the generous rear west facing garden is fully enclosed and beautifully established with mature trees, shrubs and planting. A well positioned patio area offers an ideal spot to enjoy the sun.
