## Lillington, Leamington Spa

Being attractively positioned at the far end of a no-through road, this extended four bedroomed semi-detached family house is positioned adjacent to open fields and countryside over which there are fabulous far-reaching views from the front and side of the property. One of the most striking features of the property is its magnificent rear garden with the total plot extending to something in the region of 0.21 of an acre. The rear garden is beautifully lawned with undulating contours and a large terrace extending across the rear of the house making this a wonderful family garden. Internally the accommodation has been extended, there now being four bedrooms on the first floor, the largest of which comes in at an impressive 23 feet in length and which could easily be separated to form an additional fifth bedroom or large en suite. On the ground floor the lounge and separate dining room are further complemented by a breakfast room accessed from the kitchen. Overall this is a fabulous four bedroomed semi-detached home being well located for local schools and occupying a plot of exceptional proportions.
