We have tried to make sure that these particulars are accurate but, to a large extent, we have to rely on what the seller tells us about the property. Once you find the property you want to buy, you will need to carry out more investigations into the property than it is practical or reasonable for an estate agent to do when preparing sales particulars. For example, we have not carried out any kind of survey of the property to look for structural defects and would advise any homebuyer to obtain a surveyor's report before exchanging contracts. If you do not have your own surveyor, we would be pleased to recommend one. We have not checked whether any equipment in the property (such as central heating) is in working order and would advise homebuyers to check this. You should also instruct a solicitor to investigate all legal matters relating to the property (e.g. title, planning permission, etc) as these are specialist matters in which estate agents are not qualified. Your solicitor will also agree with the seller what items (e.g. carpets, curtains, etc) will be included in the sale.

TOWN PROPERTY

Freehold

£550,000

3 Bedroom 1/2 Reception 3 Bathroom

80 Wannock Lane, Eastbourne, BN20 9SL

A beautifully presented detached house with a self contained detached annexe. Enviable situated in Wannock at the foot of the South Downs, the house has undergone significant improvement and has been extended by the current vendors. This attractive house benefits from a double aspect lounge with a log burner, double aspect kitchen/dining room with quartz worktops and patio doors to the garden and a ground floor shower/utility room. The first floor comprises of two double bedrooms and a refitted bathroom. A particular feature of the property is the wonderful detached annexe in the garden that has a host of potential uses. It consists of a studio room with a fitted open plan kitchenette and shower room. Stunning downland views can be seen from the rear garden and decked seating area. Local shops and schools are within easy walking distance. An internal inspection comes highly recommended.
