The Agent that goes the Extra Mile

We Say...

Set in an elevated position just outside the sought-after village of Ferryside, this detached dormer bungalow occupies an expansive 1.5-acre plot and enjoys far-reaching views over the Welsh coastline, offering a constantly changing and uninterrupted outlook.

Accessed via a gated entrance, the property benefits from extensive off-road parking for multiple vehicles. To the front, a raised patio area provides an additional seating space, with both front and rear aspects designed to take full advantage of the coastal setting.

The accommodation comprises three bedrooms, including a main bedroom with ensuite, along with two reception rooms suited to both everyday living and entertaining. A conservatory extends the living space, while a wood burner creates a focal point within the main reception area. A utility room is located within the house and is directly connected to the kitchen. The property is served by a bathroom, separate W.C, and ensuite.

Access to the garden is available from both the conservatory and the kitchen/utility area, creating a natural connection between indoor and outdoor living.

To the rear, a patio sits immediately outside the property, leading onto a lawned garden that rises to a higher level, further enhancing the outlook. There is also a level section of garden suitable for growing and general use, along with a raised terrace and balcony providing an elevated position to fully take in the coastline.

DIRECTIONS

Starting from our Dark Gate offices continue straight along Lammas Street. From there, follow the road onto the A484 and stay on it for several miles, going through a series of roundabouts by taking the indicated exits to remain on the A484. After continuing along the A484, turn right and follow the road for a few miles until you reach Port Way. Turn right onto Port Way, then continue for a short distance before turning left. Follow the road for about a mile, then take a slight left to reach your destination. Continue past the church and the property will be on your left. What3words: thinnest.cable.bumpy
