**The Agent that goes the Extra Mile**

Situated in Newcastle Emlyn, within easy walking distance of the town and its range of amenities, this well presented semi-detached home has been tastefully updated by the current owner. Offering versatile accommodation, three double bedrooms, an open-plan living space, off-road parking, garage, solar panels and a rear garden with far-reaching views, this property is ideal for families, or those seeking a well-positioned home in a popular market town.

The accommodation is entered via a welcoming hallway featuring patterned flooring and ample space for coats and shoes. To the front of the property is a bright reception room with a sizeable window and feature fireplace, which has the potential to be reinstated as an open fire. Currently utilised as a fourth bedroom, this versatile room could equally serve as a formal lounge, playroom, or home office. From this room, glazed doors open into the dining area, which can also be accessed via a door in the hallway.

There is an open-plan kitchen and dining/living area. The kitchen is well presented and has been added within the last three years. The kitchen benefits from stylish fitted kitchen units with a worktop and splashback, with a double sink overlooking the rear of the property. There is also a cosy living and dining area, with patio doors that open out onto the courtyard. Beyond the kitchen, there is space for a washing machine, and access to the modern shower room.

On the first floor, the landing leads to three double bedrooms. The principal bedroom enjoys an attractive bay window, allowing natural light to flood the space. Completing the accommodation is a family bathroom fitted with a bath and shower over, wash hand basin, and WC.

Externally, to the front is a garden planted with a variety of shrubs and flowers, while a driveway to the side provides off-road parking and access to the garage. A gated side entrance leads to the rear garden. The rear garden is accessed through the dining area, to the courtyard which offers a great seating area. Steps lead to the first section of the garden where there is a greenhouse, and a further patio area with access to the useful outbuilding. Further steps lead to the top of the garden with lawned areas to either side, where the owner has planted a variety of trees. As you reach the top of the garden there are lovely countryside views overlooking Newcastle Emlyn, and the castle can be seen in the distance. A great spot to enjoy your morning coffee!
