Thoughtfully and meticulously restored, the home forms part of the historic St John's College, seamlessly blending period character and architectural charm with contemporary luxury living.

Situated within the exclusive St John's Square development, The Castle comprises just four newly converted apartments within a prestigious Grade II listed building, all set behind private,

secure gates, finished to an outstanding standard throughout and nestled in beautifully landscaped gardens.

Accessed via a well-presented communal hallway, the apartment opens to two generous double bedrooms, both with original windows that fill the rooms with natural light. Further into the home, the open-plan spacious living and dining area flow seamlessly into a separate, fully fitted kitchen with Caesarstone worktops and integrated appliances.

Off the hallway, the property also features a useful storage cupboard and a stylish, fully fitted bathroom with a rainfall shower over the bath.

laundering checks. The AML check should be completed in branch. Please call the office to book an AML check if you would like to make an offer on this property. Please note we cannot put forward an offer without the AML check being completed

## Bernards Mortgage & Protection

We have a team of advisors covering all our offices, offering a comprehensive range of mortgages from across the market and various protection products from a panel of lending insurers. Our fee is competitively priced, and we can help advise and arrange mortgages and protection for anyone, regardless of who they are buying and selling through.

If you’re looking for advice on borrowing power, what interest rates you are eligible for, submitting an agreement in principle, placing the full mortgage application, and ways to protect your health, home, and income, look no further!

## Offer Check Procedure

If you are considering making an offer for this or any other property we are marketing, please make early contact with your local office to enable us to verify your buying position. Our Sellers expect us to report on a Buyer’s proceedability whenever we submit an offer. Thank you.

## Removal Quotes

As part of our drive to assist clients with all aspects of the moving process, we have sourced a reputable removal company. Please ask a member of our sales team for further details and a quotation.

## Solicitor

Choosing the right conveyancing solicitor is extremely important to ensure that you obtain an effective yet cost-efficient solution. The lure of supposedly cheaper on-line "conveyancing warehouse" style services can be very difficult to ignore but this is a route fraught with problems that we strongly urge you to avoid. A local, established and experienced conveyancer will safeguard your interests and get the job done in a timely manner. Bernards can recommend several local firms of solicitors who have the necessary local knowledge and will provide a personable service. Please ask a member of our sales team for further details.
