A fantastic opportunity to acquire a three bedroom semi detached home in the ever popular village of Brigstock, offering generous outside space, off road parking and huge potential for someone looking to create a home to their own taste. The property is now ready for a new chapter and would benefit from a programme of modernisation throughout, making it ideal for buyers who want a project and the chance to add value. Inside, the layout provides a great starting point with well proportioned rooms and plenty of scope to reimagine the space, whether that is updating the kitchen and bathroom, refreshing the décor, or reworking the flow to suit modern living. Outside is where this home really stands out. The rear garden is exceptionally large for a property of this type, offering a brilliant space for families, keen gardeners, entertaining, or even exploring future landscaping ideas, subject to any necessary consents. To the front, there is parking, adding everyday convenience in this sought after village setting. Set within easy reach of local amenities and surrounded by beautiful countryside walks, this is a rare chance to secure a home with size, location and potential in equal measure.
