3 Bedroom House - Terraced located in London

A nicely presented mid-terrace home ideal for families or first time buyers looking for a property they can move straight into and add value over time.

The ground floor comprises a bright front reception room and a spacious open plan kitchen/diner to the rear, creating a great social space for everyday living and entertaining. Upstairs offers three bedrooms and a family bathroom. The property is in good condition throughout, making it a straightforward and comfortable move in opportunity.

To the rear, there is a 73' west facing garden, enjoying plenty of afternoon and evening sun, perfect for relaxing or outdoor dining in the warmer months.

The rear structure was previously used a garage but is now more suitable as a workshop.

There is clear potential to extend to the rear and into the loft (subject to the usual planning consents), which could significantly increase both living space and future value.
