GUIDE PRICE: £665,000-£685,000

UNFINISHED RENOVATION PROJECT holding enormous potential as a highly distinctive and exceptionally spacious family home ideal for dual-occupation - a virtually detached character residence well-situated close to The Seafront and Southsea Town Centre, this unique opportunity provides a FOUR BEDROOM MAIN HOUSE with additional loft rooms, plus a THREE EN-SUITE BEDROOM SELF-CONTAINED LOWER FLAT. Close to the junction of St Ronans Road with Waverley Road, directly opposite St Simon's Church, the house boasts attributes that are rare for the area - a garage plus open parking, and a large, sunny garden well-screened behind a high boundary wall and mature trees. Acquired through (Nesbit & Co.) by our clients in 2016, No. 2 has already been the subject of significant alteration and improvement, particularly to its now well-appointed self-contained Garden Flat. Double-glazing has been installed, upper floors have been stripped of fittings and largely plasterboarded, whilst gas/plumbing/electrical work is nearly complete.

The property stands unfinished, both internally and externally, presenting now as an interesting and desirable blank canvas for an incoming owner to implement their own tastes and ideas, adding value and creating an individual home of significant quality and appeal.
