What the owner says:

"I have loved living here in a friendly neighbourhood. The house is an adaptable light airy family home that has been great for multi-generation living. The kitchen has always been the hub where we would be together then you have the living rooms if you wish to be separate. There have been many family gatherings and yet the house is big enough for it not to feel crowded. The area is quiet and with the convenience of the station a 2 minute walk away and bus stops locally it's quick and easy to get into town. I have lived here for 30 years and now is the time to downsize and let someone else enjoy Crespin Way."
