Entrance Lobby

An external uPVC door with a decorative opaque glazed panel gives access to the entrance lobby. This has oak style laminate floor, a staircase rising to the first floor and a radiator. A decorative internal door with glazed panels opens into the living room.

Living Room

This good-sized reception room is positioned at the front of the property and has oak effect laminate flooring. There is a uPVC window overlooking the garden. The focal point of the room is a decorative stove standing upon a hearth. The room has plenty of space for furniture and a radiator. A wide archway leads through to the dining kitchen.

Dining Kitchen

This room is positioned at the rear and runs the full width of the property. The kitchen area has an array of units to high and low levels, worktops with brick style splashbacks and a one-and-a-half bowl sink unit. Integrated appliances comprise a ceramic hob with an electric fan oven beneath and canopy style filter hood above. There is space for freestanding appliances, such as a fridge and freezer and plumbing for an automatic washer. The dining area has space for a formal dining table and a useful under stairs storage area, housing the Ideal boiler for the central heating system. The kitchen and dining areas have radiators and uPVC windows, and an external uPVC door leads out to the garden.

First Floor Landing

From the entrance lobby, a staircase rises to the first floor landing, which has a side uPVC window.
