Set within the well-regarded Fairfield House on South Street, EN3, this exceptional luxury one-bedroom apartment occupies a desirable second-floor position and offers an outstanding combination of space, quality, and location.

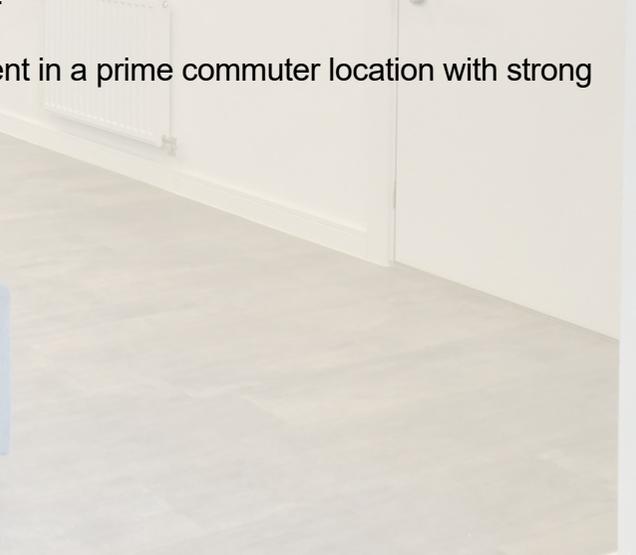

The apartment is immaculately presented and completely move-in ready, making it ideal for buyers seeking a home that requires no work. Internally, the property features a spacious open-plan lounge and dining area, flooded with natural light and opening directly onto a private balcony, providing a perfect spot for morning coffee or evening relaxation. A separate but open modern kitchen offers excellent storage and worktop space, appealing to those who prefer a defined cooking area rather than a fully open-plan layout.

Further enhancing the practicality of the home is a large storage/utility cupboard, ideal for household essentials and additional appliances. The generously sized bedroom is a real highlight, far larger than average for a one-bedroom apartment, benefiting from a built-in wardrobe and a Juliet balcony-style window/door, allowing for excellent light and ventilation while creating a bright and airy feel.

The property also comes with an allocated parking space, a valuable asset in such a well-connected location.

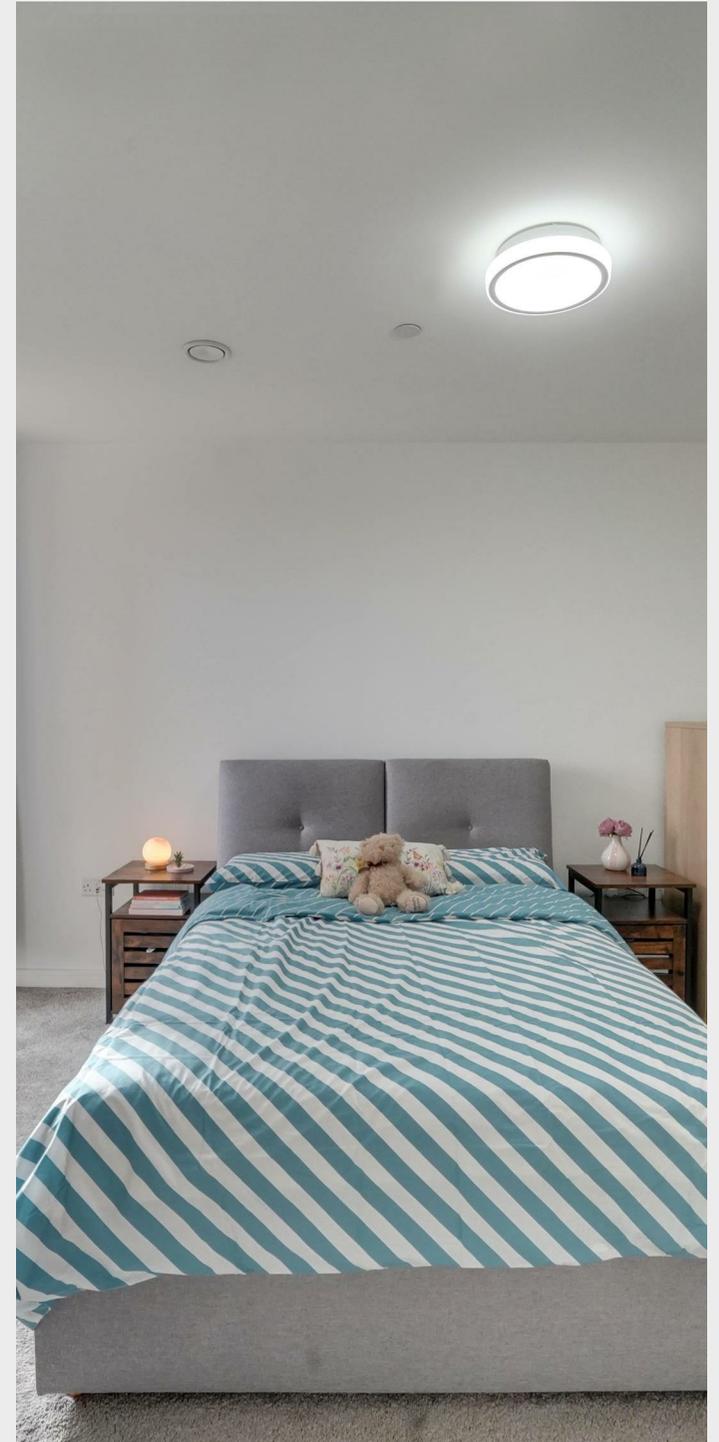

Fairfield House is perfectly positioned for convenience. Ponders End Train Station is less than a one-minute walk from the apartment entrance, offering direct services into London Liverpool Street, making this an excellent choice for commuters. South Street itself provides easy access to a range of local shops, cafés, and amenities, while nearby green spaces and leisure facilities add to the area's appeal.

This is an ideal opportunity for first-time buyers, professionals, or investors looking for a high-quality apartment in a prime commuter location with strong rental and long-term value appeal.
