SITUATION

This two bedroom semi-detached property is situated in the heart of the village of Lydford, enjoying a sunny, southeast-facing rear aspect, and is within easy reach of the village's amenities and open moorland within a mile to the east. Lydford is an unspoilt, historic village on the western fringe of Dartmoor National Park, centred around a medieval castle which was passed to the care of English Heritage in 1932. The village offers two pubs, an Ofsted "Good"-rated primary school, a village hall, a popular farm shop and the Granite Trail cycleway, and also boasts the delightful Lydford Gorge, a National Trust property with its famous waterfall. Nearby Tavistock (8 miles) and Okehampton (9 miles) provide an excellent range of shopping, recreational, and educational facilities.

DESCRIPTION

A spacious semi-detached property situated within a convenient residential position, offering well-proportioned accommodation with excellent potential for updating and modernisation throughout. The property benefits from generous reception space including a large conservatory/garden room overlooking the rear garden, together with driveway parking, garage and established gardens. Whilst requiring improvement works, the property presents an exciting opportunity for purchasers seeking to create a home to their own specification.

ACCOMMODATION

A timber and glazed entrance porch opens into the entrance hall, where stairs rise to the first floor. From here, access leads into the sitting/dining room, a good-sized reception space centred around an open fireplace. Sliding double doors open into the conservatory/garden room, a particularly spacious addition extending across much of the rear of the property and enjoying direct access onto the patio and garden beyond. The kitchen is of an excellent size and offers significant scope for refurbishment and redesign. An oil-fired Aga (disused) is currently in place together with a range of fitted units. To the rear of the kitchen is a useful ancillary room, formerly arranged as a cloakroom with plumbing still connected, offering potential for use as a pantry or utility area. The kitchen also provides access into the conservatory/garden room. On the first floor, the landing provides access to two generous double bedrooms, both benefitting from built-in storage cupboards. The principal bedroom overlooks the rear garden. The shower room is currently arranged separately from the bathroom, with one room comprising a shower, WC, bidet and wash hand basin, whilst the adjoining bathroom contains a bath, wash hand basin and storage cupboard, together offering potential to be reconfigured if desired. A further large storage cupboard is located off the landing.

OUTSIDE

To the front of the property is a driveway providing tandem parking for approximately three vehicles and leading to the single garage. Adjacent to the garage is a useful lean-to structure. The front garden is principally laid to lawn with mature shrubs and flower beds and offers potential for further parking, subject to any necessary consents. To the rear, the conservatory/garden room opens onto a patio area with pond and pathway leading through the garden. The rear garden is of a good size and includes mature shrubs, lawned areas, greenhouse and established planting, together with an oil tank positioned to one side.
