The bright living and dining space with flagstone flooring and a wood-burner brings atmosphere on cooler evenings whilst the underfloor heating, powered by an efficient air-source heat pump, keeps the cottage comfortably warm. There are three bedrooms in all, the principal with its own ensuite, and a wonderfully large loft above offering excellent storage or future potential subject to the usual consents.

While the cottage has no private parking or garden, on-street parking is readily available, and the nearby village amenity spaces offer greenery, quiet corners to sit out, and a place to enjoy the fresh air without the upkeep.
