A ONE OF A KIND FOUR BEDROOM DETACHED HOME | HIGHLY SECLUDED RURAL LOCATION | FULLY RENOVATED & EXTENDED | SURROUNDED BY OPEN FIELDS | TWO ENSUITES

Lane Cottage is a truly unique four bedroom detached family home, having been fully renovated and extended to create a stunning property in an exceptionally private rural setting. Located within the historic hamlet of Cestersover, near Pailton, the property is surrounded by open fields and enjoys uninterrupted views across the Warwickshire countryside, offering a rare combination of peace, privacy and beautifully designed accommodation.

The property opens into a generous dining area featuring a bay window and log burner, while the living room also benefits from a bay window and log burner. The standout feature is the impressive open plan kitchen, breakfast room and lounge, with floor-to-ceiling windows overlooking the rear garden and countryside, along with bifold doors opening onto the garden. The stunning kitchen provides ample storage and workspace, with a useful utility room positioned off the kitchen.
Upstairs, there are four well proportioned double bedrooms, with two benefiting from their own ensuite shower rooms. The spacious landing leads to a beautifully finished family bathroom, which enjoys views across the surrounding fields.

Externally, the property benefits from a large and beautifully maintained rear garden featuring lawn, paved seating areas and a children's play area, along with a useful storage shed. To the side is a substantial driveway providing parking for more than four vehicles, while the attractive frontage further enhances the property's picturesque setting.

Having been comprehensively renovated and extended, Lane Cottage combines character and charm with modern family living in an exceptional countryside position. Properties of this nature rarely become available and an internal viewing is highly recommended.
