The Main Text

An impressive and deceptively spacious four-bedroom semi-detached bungalow, offering beautifully presented and highly versatile accommodation arranged across two floors, together with generous off-road parking and an attractive low-maintenance rear garden.

The property has been considerably extended and improved, creating a superb family home with an excellent balance of living and bedroom accommodation.

At the heart of the property is the stunning open-plan kitchen and dining room, finished to a contemporary standard with sleek white cabinetry, integrated appliances and a large central island. A striking roof lantern and extensive glazing allow plenty of natural light into the room, while doors provide a seamless connection with the rear garden. This is a fantastic space for everyday family life as well as entertaining.

There is also a substantial separate reception room, providing a comfortable and stylish living space with plenty of room for multiple seating areas.

The flexible ground-floor accommodation includes three bedrooms, with one benefiting from direct access into a conservatory overlooking the rear garden. A modern family bathroom, utility facilities, WC and useful storage complete the ground floor.

Upstairs, the first floor is dedicated to an impressive principal bedroom, creating a private and spacious retreat away from the main living accommodation.

Externally, the front of the property has been extensively paved to provide generous off-road parking. The enclosed rear garden has been designed with low maintenance in mind and provides an excellent space for relaxing and entertaining.

A further garden room/outbuilding provides additional versatile space and is currently arranged around a hot tub, making it ideal as a leisure area, home gym or entertaining space.

Presented in excellent condition throughout, this is a distinctive family home offering considerably more accommodation than initially meets the eye. Internal viewing is highly recommend
