Eliza Yard is an exciting new development in the heart of Ancoats.

Situated on the fifth floor, this spacious, contemporary two-bedroom corner apartment forms part of Eliza Yard, Manchester Life's newest development.

The property benefits from a Juliet balcony overlooking Ancoats.

Available to both owner occupiers and investors, the development also offers a concierge service seven days a week, a secure residents' courtyard, and bicycle storage.

Eliza Yard

Eliza Yard is at the heart of Ancoats' next phase of regeneration, introducing new homes, independent businesses, the Ancoats Mobility Hub, and an enhanced Ancoats Green, while preserving the area's unique heritage, character, and strong sense of community.

The development comprises 126 apartments, including 40 one-bedroom, 80 two-bedroom, and 6 three-bedroom homes. Juliet balconies are provided to all apartments, with the exception of four central units on Level 7, while four apartments also benefit from both internal and external entrances. Residents enjoy a communal entrance with concierge service, Kone lifts serving all floors, and access to a secure private courtyard featuring a blend of hard and soft landscaping, bench seating, picnic tables, and a pergola.

The Tour

The kitchen has been thoughtfully designed with pebble grey base and wall units featuring integral J-pull handles, complemented by platinum white carcasses, all of which are FSC Mix Material certified. Polished quartz worktops with matching upstands and a drainer provide a sleek finish, while a stainless steel sink with a chrome U-neck tap adds practicality. High-quality Blum Tandembox Antaro soft-close drawers and Blum premium soft-close hinges enhance functionality throughout. Integrated appliances include a Bosch electric oven, Bosch ceramic hob with glass splashback, CDA canopy extractor hood, CDA integrated 70/30 fridge freezer, and CDA integrated dishwasher.

Bathrooms and en-suites have been finished to a high standard with Hi-Macs vanity tops and full-height mirrors, chrome towel rails, and a stylish combination of Domus Colori Matt wall tiles and Domus Stavanger floor tiles. Contemporary sanitaryware includes Villeroy & Boch white toilets and basins with chrome Grohe flush plates and Vado taps, alongside a Kaldewei bath with chrome tap and hand spray, plus an MX shower tray with Vado mixer shower and showerhead.

Throughout the apartment, flooring has been carefully selected to complement each space, with Twist Colour Creation Zen LVT flooring to the kitchen and living areas, Cormar Hampstead Gunmetal carpets to the bedrooms, and Domus Stavanger tiling to bathrooms and en-suites. Walls are finished in Cameo Silk paint throughout, creating a bright and neutral backdrop. Full-height windows with slender frames maximise natural light while reflecting the industrial character of the surrounding Ancoats area.

The homes also benefit from energy-efficient mechanical ventilation with heat recovery systems, Mylek Ultra Slim electric radiators, and low water usage fittings designed to improve efficiency. Lighting includes a combination of LED downlights, spotlights, pendant, and bayonet fittings, while hot water is supplied via a pressurised tank located within the utility cupboard.

Connectivity has been carefully considered, with Freeview TV and VOIP telephone points in the living room, Sky access available via Wi-Fi through Sky Glass or Stream, a TV point in the principal bedroom, and fibre broadband connectivity available through BT or Hyperoptic.

The Area

Eliza Yard is perfectly positioned within the vibrant neighbourhood of Ancoats, one of Manchester's most sought-after and characterful districts. Once known as the world's first industrial suburb, Ancoats has evolved into a thriving urban village that blends historic mill architecture and canal side living with an outstanding independent food, drink, and cultural scene.

Located just moments from Cutting Room Square, residents are surrounded by a wide selection of independent cafes, restaurants, bars, and bakeries, including Elnecot, Canto, Erst, The Jane Eyre and mana, alongside popular coffee spots such as Ancoats Coffee Co.

Residents can also enjoy easy access to green and waterside spaces, with Ancoats Green, Cotton Field Park, New Islington Marina, and the Rochdale Canal all within walking distance, offering a balance between city-centre convenience and quieter outdoor living.

Connectivity is another major advantage, with Manchester city centre, the Northern Quarter, and Piccadilly Station all easily accessible on foot. The nearby New Islington tram stop provides convenient links across Greater Manchester, while the new Ancoats Mobility Hub further enhances sustainable transport.
