## LOCATION

Forge Place is a small cul-de-sac off South Rise, being an attractive cul-de-sac of detached properties within the heart of the popular village of Skidby. Skidby is a charming village situated to the west of Cottingham. The village is well known for the iconic Skidby Mill, a Grade II\* listed windmill that dominates the skyline and serves as a proud symbol of the village's history. Offering a peaceful, elevated position, Skidby provides an appealing residential atmosphere for those seeking a quiet retreat that remains closely connected to the region's larger hubs.

The village maintains a charming, low-density feel while providing easy access to many local services. While the village preserves a tranquil pace, the extensive amenities of nearby Cottingham and the retail parks of Willerby are just a short drive away, providing a perfect balance of rural peace and modern convenience. The historic market town of Beverley is also within striking distance.

Education makes the area a primary choice for families. The village is home to the well-regarded Skidby Church of England Primary School, celebrated for its small school feel and strong community links. For secondary education, the village is ideally placed for access to Cottingham High School and Sixth Form College, while further independent schooling options are also within easy reach.

Skidby provides good regional connectivity for those who value a tranquil setting without sacrificing accessibility. The village is perfectly positioned near the A164, offering a direct and rapid link to Beverley and the A63/M62 corridor. The nearby rail links in Cottingham offer convenient access to the national rail network.

Accessibility to key destinations includes:

- Cottingham: Approx. 2 miles
- Beverley: Approx. 4 miles
- Hull City Centre: Approx. 6.5 miles
- York: Approx. 32 miles

Beyond the immediate vicinity, the location offers unparalleled access to the beauty of the East Riding countryside.
