Cecil Road, SW19

A rare opportunity to acquire a Victorian home arranged over two floors, benefiting from a private rear garden, set in a quiet 'Horse Shoe' Road.

The ground floor has been thoughtfully extended to provide a generous and versatile living space, comprising two reception rooms and a separate kitchen, together with a downstairs WC, utility room and access to the rear garden.

On the first floor, there are two generous double bedrooms, both with built-in storage. The front bedroom benefits from a beautiful box window, while there is also a large family bathroom. There is further potential to extend into the loft, subject to the necessary planning consents.

Cecil Road has a fantastic community feel and is ideally located for local amenities and transport, with South Wimbledon Underground Station (Northern Line) close by, offering easy access into central London. There's also a great choice of independent cafés, restaurants and shops, alongside regular local events and theatre productions.
