## The Detail

This stunning bungalow on The Bancroft is beautifully presented and thoughtfully designed, offering an ideal home for modern living.

The property is entered via a composite double-glazed panelled door, leading into a welcoming entrance porch. A front-facing window with decorative stencilled glass allows natural light to flood the space, complemented by stylish engineered wood flooring. A further composite door leads seamlessly into the main hallway, where the flooring continues. Panelled doors from the hallway provide access to the dining kitchen, two bedrooms, and bathroom.

The dining kitchen at the rear of the property is a standout feature, fitted with high-specification Wren panelled units with chrome handles and solid wood fronts in a soft grey finish. Quartz, marble-effect work surfaces add a touch of luxury, while the Rangemaster ceramic sink with chrome swan-neck mixer tap combines style with practicality. Integrated appliances include a Bosch electric oven, Bosch gas hob with glazed splashback, extractor unit, dishwasher, and automatic washing machine, creating a fully equipped and sophisticated space.

Two generous double bedrooms are located at the front of the property, each with newly fitted carpets and front-facing windows. The principal bedroom also benefits from a beautifully appointed en-suite shower room, featuring a stylish three-piece suite and elegant porcelain tiling.

The contemporary bathroom offers a high-specification three-piece suite, including a panelled bath with mains-fed chrome shower, low-flush WC, and ceramic sink with bespoke quartz shelf. Recessed LED downlighters and feature LED lighting complete the modern look.

Outside, the property features a double-width block-paved driveway leading to a single attached garage with a remote electric roller door, as well as access to a useful store/utility area at the rear of the garage.

To the rear is a delightful south-facing garden with a generous block-paved seating area and attractive views over open fields.

Please note that the images of the rear garden have been digitally enhanced to illustrate how the garden would look with a lawn. There is also the option to add a lawn at the rear, subject to an additional charge.
