### SUMMARY

Welbeck House is an impressive and substantial detached residence that has been recently extended and fully renovated to an exceptional standard by the current owners, resulting in a truly stunning family home. Occupying a generous plot of just over one-third of an acre, the property is set within beautifully landscaped gardens. A superb sun terrace and patio area overlook the swimming pool, creating an ideal setting for outdoor entertaining and relaxation.

From the moment you step into the grand entrance hall, the home exudes class and sophistication. This striking space features a galleried landing above, enhancing the sense of light and openness. From here, doors lead to a boot room, a formal sitting room, and the heart of the home—an outstanding open-plan family, dining, and kitchen area.

This stylish living space boasts a high-specification kitchen with a central island incorporating a bespoke dining booth, a walk-in larder, and a cleverly concealed breakfast station. There is also a comfortable informal lounge area and ample space for a large dining table, all enjoying delightful views over the gardens. A separate door leads to a snug/games room, providing a perfect retreat for children or informal gatherings. Additional ground floor accommodation includes a utility room with external access to the driveway, along with doors leading to a cloakroom and plant room.

The galleried landing continues the sense of space upstairs, where there are four generously sized bedrooms. The principal suite features a luxurious en suite bathroom and dressing area, while a guest bedroom also benefits from its own en suite. A well-appointed family bathroom serves the remaining bedrooms.

Externally, a sweeping gravel driveway provides extensive parking for multiple vehicles, as well as space for a campervan or caravan. The property enjoys a high degree of privacy, set well back from the road and surrounded by mature trees and shrubs. There is also potential to construct a double or triple garage, subject to the necessary planning permissions.

To the rear, the garden offers a tranquil retreat, with a swimming pool and sun terrace perfectly positioned for al fresco dining and entertaining with family and friends.
