DESCRIPTION

Aston Hall was sympathetically converted into luxury apartments in the early 2000's and maintains its original charm and character. When entering the main entrance of the building you are greeted with a spacious reception hallway that offers access to the upper floors by either lift or grand staircase as well as access to the rear and the secure cellar storage.

Apartment 6 is on the second floor across the entire Southern elevation of the building and arguably enjoys the best of all the views in the building. Upon entering you are welcomed by an entrance hallway which has access to all the rooms which includes the spacious Lounge with its pair of sash windows which let the light flood in and provide super views across the gardens and the open fields and woods beyond. A door leads conveniently into the kitchen which is well planned with a range of timber faced kitchen units along one wall inset with a sink, and electric oven and space for other appliances as well as the central heating boiler. There is ample space for dining and the sash window provides further country views. Both Bedrooms are of a generous double size and each has the familiar sash windows with excellent views. At each wing of the apartment are the individual Shower Room and Bathroom each with a WC and wash basin.

OUTSIDE

Each resident of Aston Hall enjoy access to the beautifully maintained communal gardens, along with an allocated parking space with additional visitor parking at the front of the building. A private and secure cellar storage is also available, providing extra storage for the apartment.

The property is therefore a perfect blend of modern luxury and historic charm, ideal for those seeking a peaceful yet convenient lifestyle in the heart of the countryside.
