A detached bungalow requiring modernisation in an elevated location with magnificent estuary views. An entrance porch with meter cupboard and window opens through an archway to a spacious hallway. The hallway has a cupboard housing the Vaillant boiler with shelf and storage and a loft entrance with a loft ladder. There is also a cupboard housing the gas meter and fuse board and there are doors to the bedrooms, bathroom and living room.

The living room has a picture window overlooking the rear garden with panoramic estuary views with hillsides beyond. There is also a side window which enjoys views even further up the estuary. The living room leads through to a dining area with patio doors to the garden and an archway to the kitchen. The kitchen requires modernising and has base and wall units, a single bowl sink unit, electric cooker point, plumbing for a washing machine and spaces for appliances. There is an old airing cupboard with slatted shelving.

Both bedrooms are good sized with windows to the front with an outlook across to fields beyond opposite properties. One bedroom has built in wardrobes and drawers & the other bedroom has a built in cupboard and an en suite. The en suite comprises low level flush WC, shower cubicle, wash hand basin in unit and two frosted glazed windows to the side and a stained glass circular window to the front.

The main bathroom comprises a white suite with panelled bath with mixer tap and shower attachment, pedestal wash hand basin, bidet and low level flush WC. It is partly tiled with a frosted glazed window to the side.

There is central heating and uPVC double glazing.

There is a useful cellar workshop beneath the property with a door from the rear garden. There are two rooms here with windows, plumbing for a washing machine and entrances to further under property storage areas.

The garden is southerly facing with estuary views. A raised patio, laid to loose stones with low wall surround and gates at both sides, directly faces the magnificent estuary view. There are two lower lawn levels, one with shed and the other with an attractive arched gateway to a further garden area. There is access to the aforementioned cellar workshop rooms with a tap by its door. There is a side hardstanding area for parking, next to the garage and there is a covered car port style area on this side too. This area provides potential for a kitchen extension subject to planning permission.

Bishopsteignton is a highly desirable estuary village with an excellent community feel. The village has many local amenities including a primary school, two pubs, churches, a pharmacy, a local brewery, post office, general stores and a small hotel. The market town of Newton Abbot is accessible within approximately 4 miles to the west and offers further amenities including schooling, shopping and leisure facilities. The coastal town of Teignmouth is approximately 2 miles to the east and once again offers schooling, shops and also sandy beaches with a pier and an 18-hole golf course. Mainline rail services are available in both Newton Abbot and Teignmouth. The A380 dual carriageway linking Torbay to the south with Exeter and the M5 to the north is accessible within approximately 2 miles of the village.
