Rhondda Close

Bletchley, MK1 1BH

The property offers particularly versatile accommodation, with two bedrooms and a bathroom on the ground floor, together with two further bedrooms created within the loft conversion. This layout makes the property ideally suited to a variety of buyers, including families, those looking for flexible multi-generational accommodation or purchasers requiring ground-floor bedroom space.

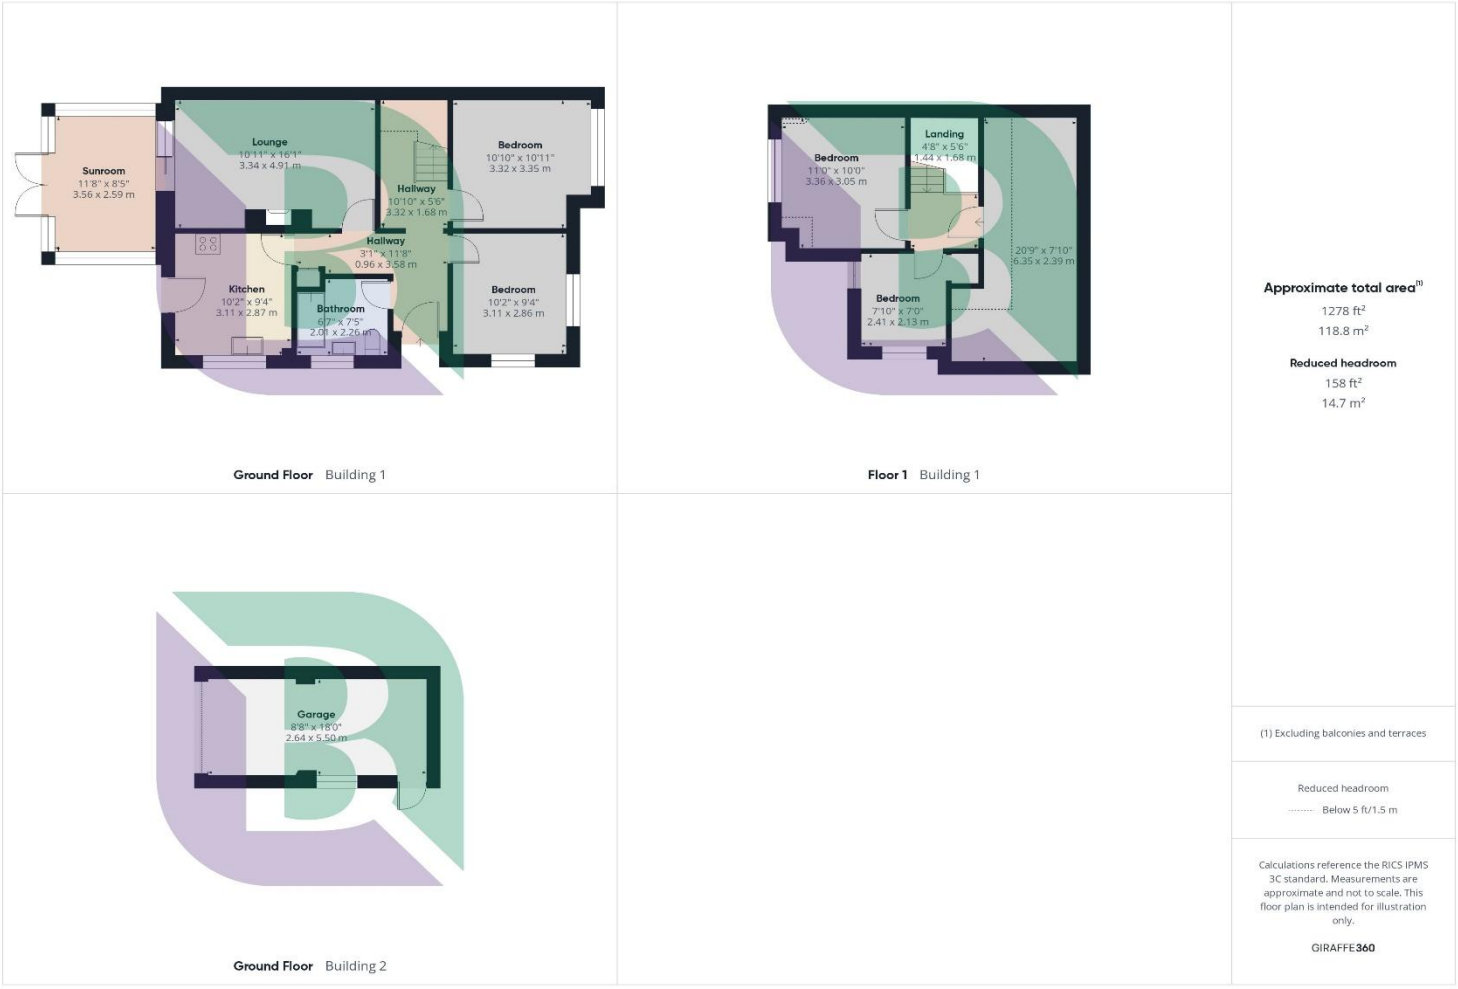

Upon entering, the property opens into a central hallway providing access to the principal ground-floor rooms.

The lounge is a comfortable reception room with a particularly useful sunroom extension to the rear, creating an additional reception area and providing a pleasant connection through to the garden. The modern fitted kitchen is well equipped with a range of wall and base units and provides space for a washing machine, dishwasher and fridge/freezer, together with a electric oven and induction hob with extractor fan. There is also additional access leading directly out to the rear garden. The ground floor further benefits from two well-proportioned bedrooms, offering excellent flexibility, alongside a family bathroom with assisted access.

Stairs rise to the first floor where the loft conversion provides two further bedrooms, together with a landing area. The additional bedrooms offer a multitude of uses and could equally lend themselves to bedrooms, home offices, hobbies or occasional guest accommodation, subject to the buyer's requirements and any necessary permissions.

To the front of the property is a substantial tandem driveway, providing off-road parking for approximately three vehicles.

The south-west facing rear garden is a particularly attractive feature, being of a good size and enjoying a good degree of privacy. The garden also provides access to the detached single garage, offering useful additional storage and parking facilities.
