Situated in the popular village of Hunston, just south of Chichester, this well-proportioned two-bedroom end-of-terrace home occupies a particularly generous plot and offers excellent outside space, ample driveway parking and a detached single garage.

The accommodation begins with an entrance hallway leading through to a welcoming front reception room. To the rear is a second reception room, currently arranged as a dining room, providing a separate and versatile living space. The kitchen has access to the rear of the property and benefits from direct side access into the garden.

Upstairs, the property offers two good-sized double bedrooms, together with an additional study, ideal for those looking for a dedicated home office or flexible extra space. A family bathroom with a separate standing shower completes the first-floor accommodation.

A particular highlight of the property is the generous plot and rear garden. Being positioned at the end of the terrace, the property benefits from side access and a noticeably larger outside space than many of the neighbouring homes. The garden is predominantly laid to lawn with a patio area, while the additional land provides further outdoor space and offers plenty of potential for a new owner to make their own.

To the side of the property is a private driveway providing off-road parking for multiple vehicles, leading to a detached single garage.

With its generous plot, two double bedrooms, additional study, two reception rooms and excellent parking, Acacia Villas offers a fantastic opportunity for buyers looking for a home with particularly good outside space in a convenient location close to Chichester.
