Property Details

A beautifully positioned two double bedroom garden flat, set within an attractive end-of-terrace Edwardian property. Offering its own private entrance, South-East facing garden and potential to extend, subject to permissions, this is a wonderful blank canvas in a highly sought-after setting, within the catchment area for Sudbourne and Corpus Christi Schools. The bright open-plan reception and kitchen forms a sociable heart of the home, with double French doors opening onto the garden, original floorboards and a sleek neutral kitchen wrapping around to maximise storage and worktop space, before extending into a breakfast bar peninsula. Stained glass detailing adds period character. Both generous double bedrooms are positioned at opposite ends for privacy. The principal bedroom enjoys dual-aspect garden views and French doors opening outside, while the second sits behind a square bay window with stained glass and corniced ceilings.
