The kitchen opens into a useful utility area with additional built-in units, space for a washing machine and a door leading to the downstairs cloakroom, fitted with a low-level WC and hand wash basin. Completing the ground floor is the dining room, which enjoys French doors into the sitting room and a rear-aspect window.

To the first floor, the landing provides access to all bedrooms, the family bathroom and an airing cupboard. The principal bedroom has been extended and measures in excess of 18 feet, featuring a range of modern built-in wardrobes and access to a contemporary en-suite shower room. Bedroom two is a generous double room and also benefits from its own en-suite shower room. Bedrooms three and four are well-proportioned, and are served by the family bathroom, fitted with a three-piece suite.
