The property has been thoughtfully updated by the current owners, creating a warm and inviting home that blends period charm with modern finishes. A spacious through reception room provides a versatile living and dining environment, enhanced by bay windows and original features, while to the rear an extended kitchen dining space opens out via bifold doors onto the garden, making it ideal for both everyday living and entertaining.

Upstairs, the property continues to impress with a generous four piece family bathroom featuring a roll top bath and separate walk in shower, alongside two well proportioned bedrooms, including a particularly spacious principal bedroom and a second double bedroom.

Externally, the garden is well maintained and offers a patio area leading onto lawn, with the added benefit of side access.
