New Barnet, Barnet, EN5 1RP

An Exciting Opportunity in a Sought-After New Barnet Location

A rare opportunity to acquire a bright and spacious two double bedroom detached bungalow, ideally situated in one of New Barnet's most popular residential turnings. Offering excellent potential for further improvement and development, the property is presented with no onward chain and benefits from off-street parking, a south-facing front garden and an impressive integral double garage/basement.

The accommodation is arranged predominantly on the ground floor and provides a substantial living space, with two generously proportioned double bedrooms, an exceptionally bright and airy interior, a family bathroom and a separate guest cloakroom. The interior has also recently benefited from new flooring.

The extensive basement and integral garage, accessed via an internal staircase (currently fitted with a stairlift) and further rear garage door. This substantial space offers considerable potential for a variety of uses or possible further development (STPP).

Externally, the property enjoys a south-facing front patio garden, which currently provides additional off-street parking and offers considerable scope for landscaping if desired.

The location is equally appealing, within walking distance of local shops, amenities and transport facilities. New Barnet Mainline Station is nearby, providing direct commuter services to London King's Cross and Moorgate.

With its generous proportions, detached accommodation, substantial garage/basement and scope for future enhancement, this is an exciting opportunity for buyers seeking significant potential.
