STEPHENSON BROWNE

DESCRIPTION

Tucked away on the sought-after Charles Square in the semi-rural enclave of Hassall Green, this beautifully upgraded home offers the perfect balance of countryside tranquillity and everyday convenience—just a ten-minute drive from the vibrant heart of Sandbach.

Occupying an enviable corner plot, the property immediately impresses with its generous driveway parking and a substantial, private enclosed rear garden—ideal for entertaining, relaxing, or family life in a peaceful setting.

This is a home that has been thoughtfully enhanced throughout. A new roof installed in 2021 and stylish external rendering completed in December 2025 ensure striking kerb appeal, while a full rewire and replumb provide modern reliability. Inside, two spacious reception rooms offer flexible living, complemented by luxurious ground floor underfloor heating for year-round comfort.

A standout feature is the timber frame cabin/studio—perfect for today's lifestyle needs. Set on an insulated concrete slab with cavity wall insulation and an insulated roof, this versatile space is ideal as a home office, gym, or creative retreat, complete with hardwired ethernet for seamless connectivity.

The property also embraces future-focused living, with wiring already in place for an EV charging point. Appliances are available by separate negotiation, allowing buyers to tailor the home to their needs.

Combining stylish upgrades, generous outdoor space, and a peaceful yet well-connected location, this is a truly exciting opportunity not to be missed.
