Located in the desirable village of Littlebourne, Canterbury, this extensively developed detached home offers an outstanding level of flexibility for modern family life. Set on a plot of just over three-quarters of an acre, the property has been thoughtfully extended and improved by the current owners, creating a unique opportunity for multi-generational living or, subject to the necessary permissions, a variety of business ventures.

The main residence provides five well-proportioned bedrooms and three contemporary bathrooms, complemented by two reception rooms offering adaptable living space. A feature log burner creates a warm focal point, while the generous kitchen/breakfast room has been designed with both practicality and style in mind, making it an inviting hub for family gatherings.

In addition to the main home, the property benefits from a separate three bedroom lodge, complete with its own log burner, ideal for extended family, guest accommodation, or potential rental use. A further detached building incorporates a double garage with a self-contained two-storey annex, offering even more scope for independent living or income generation.

The layout and facilities make this property perfectly suited to families wishing to combine generations under one roof while maintaining privacy, or to those looking to explore business opportunities such as holiday lets, retreats, or home-based enterprises.

Approached via a private lane with electronic gates, the property enjoys security and seclusion, with the main house further enhanced by its own private garden.

Littlebourne itself offers a welcoming community with everyday amenities including a shop/post office, doctor's surgery, and primary school within walking distance, while Canterbury is only a short drive away. This is a rare chance to acquire a home that successfully combines space, versatility, and future potential in a charming village setting.
