Guide Price £550,000 to £575,000

Daneswood Avenue, London, SE6 2RG

Guide Price £550,000 to £575,000. Beautifully updated three-bedroom semi-detached house with 85ft garden on a lovely residential street. This impressive 1930s family home offers good living space and excellent potential for further enhancement. Sold Chain Free.

The exterior combines red brick with a light cream/off-white render, giving the property a charming and contemporary appearance. White-framed, multi-pane windows add to the bright, clean aesthetic, while a small-enclosed porch with large windows and a glass-panelled door welcomes natural light into the entrance. At the front, a lawn bordered by low shrubs and hedges leads to a stone-paved driveway running along the side to a wooden gate and side access.

Inside, the house has been redecorated and recarpeted throughout, except the rear reception and kitchen, leaving the option to knock through from one to the other to give a wonderful open plan kitchen-dining room overlooking the patio and garden.

Upstairs, there are two double bedrooms and one single bedroom (that could function as a nursery or home office), plus an expanded family bathroom.

One of the standout features is the impressive rear garden, extending approx. 85 ft, with a paved patio for outdoor dining, a well-maintained lawn, and space for storage or a garden shed. The garden also presents excellent potential for landscaping or a rear extension.

This house is an excellent opportunity for buyers looking to create a long-term family home. Sold Chain Free.

Added benefits include solar panels on the roof (which brought in a credit on electricity of over £600 in 2025); electric car charger; new windows to the front; new décor; new carpets; new radiators (all bar one); boarded loft; EPC rating of B.
