Community facilities include a library, resource centre, youth centre, hall and British Legion Club as well as a secondary school. Wider ranges of amenities are offered by Scunthorpe and Doncaster.

THE RESIDENCE

A detached house benefiting from mains gas central heating and double glazing. The accommodation in brief is as follows, please refer to the floor plan for approximate room sizes:

The front door leads into an **Entrance Hall** with laminate flooring (which is continued throughout the ground floor), understairs storage cupboard and stairs rising to the first floor. A door leads to a **Cloakroom** with a wash hand basin in vanity unit with tiled splashbacks, low flush WC and extractor fan.

A door from the hallway leads into an **L-Shaped Open Plan Lounge / Dining Room / Kitchen**. The lounge area has a window to the front and spot lighting to the ceiling. Double doors from the rear dining area lead into a **Conservatory** with tiled flooring and windows to two elevations; a single door leads outside to the garage and store and double doors lead out to the rear patio and gardens. The kitchen area has a window to the rear and a range of wall and base units, 1½ bowl sink with mixer tap and tiled splashbacks, electric oven and hob and space for free standing fridge freezer. There is a redundant solid fuel burner which was utilised for the former central heating but is now condemned, and a new mains gas central heating system is installed.

To the **First Floor** the **Landing** has a window to the front and two fitted cupboards, one over the stairwell.

The **Main Bedroom** to the rear of the house, has a range of fitted wardrobes and access to the loft space above. **Bedroom Two** has a window to the front.
