Additional features include PIR sensor lighting to the front and rear, and a mains-powered doorbell for added convenience and security.

### Shared Ownership

Shared Ownership is a great way for you to get a foot on the property ladder if you can't afford to buy a home outright on the open market. It can ease the pressure of needing to save for a large deposit, or having to make high mortgage repayments. Essentially, it means you'll be buying a share of your home - usually up to 75% - and paying an affordable rent on the remainder. When you're in a position to do so, it's also possible to buy further shares in your home. This is known as Staircasing.

Shares are available from 10% to 75%. Please see example prices and rents listed below

10% Share - Purchase Price £21,000 - Rent Charges of £433.13  
25% Share - Purchase Price £52,500 - Rent Charges of £360.94  
50% Share - Purchase Price £105,000 - Rent Charges of £240.63  
75% Share - Purchase Price £157,500 - Rent Charges of £120.31  
Full Property Value - £210,000

### Service Charges

A monthly service charge of £49.12 will apply. This will include building insurance, ground maintenance and the management charge.

### Agents Notes

Please note these homes are in a Designated Protected Area and will therefore have relevant provisions in the Lease. For further information please speak to a member of the sales team

Local connection requirement , please speak to a member of the sales team. In the long description to help if that's best suited.

### Who Can Apply
