ACCOMMODATION

The grade II listed property comprises a lock-up retail shop at ground floor level, as approached from the Church Street side, with 2 floors above offering a 1 bedroom apartment. The land to the rear, facing onto New Way Ghaut, extends to 2 further levels below the ground floor. These floors offer storage and a bathroom, with potential to convert, subject to planning, to create a separate apartment, as other properties in this terrace have done.

The shop extends to around 250 sq ft and has been upgraded with a display window and half glazed door facing onto Church Street, and another window to the rear. There are numerous glazed, display cabinets, along each wall and in the centre of the room. A door opens onto a tight winding staircase descending down to the basement level and a staircase leads up to the residential apartment above.

The stair rises up into a first floor living kitchen. There is a sitting area with a window to the front, whilst the fitted kitchen lies to the rear, where a window offers views down onto the harbour.

The fitted kitchen includes an integral oven and a stainless steel sink unit and spaces for further appliances. The gas combi boiler lies on the wall in this room. A staircase then leads up to the second floor where there is a double bedroom with dormer windows to both the front and rear, and a modern, en-suite shower room with a Velux rooflight to the rear.

Descending from the ground floor, the stairs lead down to a basement level providing a store room with a bathroom partitioned off along the rear wall, fitted with a simple white suite and having 2 windows. A hatch in the floor of the store room opens onto a straight stair descending from this level down to the lower basement. This lower basement covers the whole footprint of the building plus a further extension to the rear, where a window and door open out onto the path known as New Way Ghaut.

LOCATION

The property lies in a town centre location, on the main road through the old town on the east side of the river, between the old market square and the 199 steps leading up to the Abbey ruins. See location plan.

TENURE

The property is owned freehold and could be sold with vacant possession.

On a rental basis, the property is available by way of a new lease for a term of years to be agreed, subject to three yearly upward only rent reviews. The landlords would prefer a lease of at least 6 years under the commercial 1954 Landlord and Tenant Act. Terms would include the tenant being responsible for all repairs and maintenance, glazing, plumbing, wiring and décor etc. The tenant will also be responsible for paying the landlord's legal fees for drafting the tenancy agreement and would need to contribute annually towards the insurance for the building.

PLANNING

The property falls with the administrative area of North Yorkshire Council. Tel (01723) 232323. The area is a designated Conservation Area. The property is a grade II listed building. The most recent use of the shop has been as cold food retail.

IMPORTANT NOTICE

Richardson and Smith have prepared these particulars in good faith to give a fair overall view of the property based on their inspection and information provided by the vendors. Nothing in these particulars should be deemed to be a statement that the property is in good structural condition or that any services or equipment are in good working order as these have not been tested. Purchasers are advised to seek their own survey and legal advice.
