TENURE

Leasehold
Park homes are neither freehold nor leasehold; they operate under a unique system governed by a "Written Statement" or "Mobile Homes Agreement". When you purchase a park home, you own the home itself and the right to station it on the park, but you don't own the land. The land is owned by the park owner at all times. This right to station the home is granted by the park owner through a written agreement.

Ground rent (or pitch fee) at the time of instruction (July 2026) is £235.23 per calendar month (£2,822.76 per annum) (reviewed yearly).
Maintenance of communal areas is covered within the ground rent
If you are buying the home from an existing resident, the site owner will be entitled to 10% commission of the sale price. Likewise should you sell in the future the site owner will be entitled to 10% commission. This 10% commission is generally taken into account within the

selling price, it is not in addition too.

Like any other home purchase, buying a park home is a major commitment. You are, therefore, strongly advised to take advice from a solicitor or another professional – independent from the seller or site owner – when buying a home.
