An Exceptional First Floor self contained Maisonette. Completely Remodelled and Renovated to an Outstanding Standard

Perfectly suited to first-time buyers, professionals and retirees alike, this exceptional first-floor maisonette has undergone a comprehensive programme of remodelling and refurbishment, finished to an exacting standard with a quality, no-expense-spared approach evident throughout. Beautifully presented from top to bottom, the property offers stylish, turnkey accommodation whilst also benefiting from its own private rear garden and off-road parking, a combination seldom found with properties of this type.

Every aspect of the home has been carefully considered and beautifully executed, creating a property that rivals many newly built homes in both style and finish.

The current owner deserves enormous credit for the remarkable transformation they have achieved. This has been a comprehensive renovation project, resulting in a home where no detail has been overlooked and no corner cut. The result is a stylish and contemporary living space that effortlessly combines practicality with sophisticated design.

At the heart of the home is a superb open-plan living kitchen, thoughtfully created through a redesigned layout to maximise both space and functionality. The impressive WREN kitchen features an extensive range of quality shaker-style units, complemented by marble-effect work surfaces and a host of integrated appliances, providing an ideal environment for both everyday living and entertaining.

The kitchen flows seamlessly into the inviting living area, a beautifully presented space finished with premium Karndean flooring and tasteful décor, creating a warm and welcoming atmosphere.

The quality continues throughout the remainder of the property. The generous double bedroom benefits from an impressive range of fitted wardrobes and storage solutions by WREN, whilst the luxurious shower room has been stylishly appointed with a contemporary white suite comprising a concealed-cistern WC, vanity wash basin and a large walk-in shower with mains-fed shower, all complemented by elegant tiling and quality fittings.

Further benefits include gas-fired central heating via a modern Ideal combination boiler and uPVC double glazing throughout.

Externally, the property is equally impressive. A tarmac driveway provides off-road parking for two vehicles, whilst attractive patio seating areas lead onto lawned gardens beyond, creating a wonderful space in which to relax, entertain and enjoy the outdoors.

Without question, this is a fine example of a true turnkey home. Ready to move straight into, you'll be hard-pressed to find a property requiring less attention from day one. Simply unpack, settle in and enjoy.

Conveniently positioned within easy walking distance of Biddulph town centre, residents can enjoy a wide range of shops, restaurants, cafés, pubs and leisure facilities, alongside excellent everyday amenities. The town offers Sainsbury's, ALDI, Argos, independent retailers, butchers, florists, pharmacies, doctors and dentists, providing everything needed for day-to-day living.

The award-winning National Trust Biddulph Grange Garden is also close by, whilst the beautiful Staffordshire countryside and Peak District National Park are within easy reach, offering an abundance of scenic walks and outdoor pursuits. For commuters, nearby Congleton provides convenient access to the M6 motorway network and mainline rail connections.
