PREPARE TO BE IMPRESSED!

Quite simply a **STUNNING DETACHED RESIDENCE**, comprehensively refurbished by the vendor who has created **arguably one of the best modern homes currently available in the area**. With attention paid in minute detail, both internally and externally, viewers will enjoy a beautiful relaxed living space complete with extra features including solid fuel stove in the lounge, beautifully appointed kitchen, complete with appliances, and useful converted garage, with roof space storage, which is currently used as a Studio by the vendor but could easily be used as an additional reception room, or even workshop, if required, or simply can be reverted back to a garage. The first floor features four bedrooms with the master bedroom having an en-suite and there is also the house bathroom which is, again, re-fitted.

Externally, the improvements have continued. There is off-street parking to the front whilst to the rear is a landscaped garden complete with contemporary composite decking immediately to the rear of the house. This gives way to a further area of enclosed garden which offers excellent privacy

and also a summerhouse. **Taking things even further, a solar PV system complete with battery backup helps ensure that not only is this a wonderful home, the cost of running it (electricity) is kept low.**

Location is everything and, again, this does not disappoint. Being within a relatively level walk of the town centre within a delightful and much sought after mature development.

In short, this is a property ready for immediate occupancy located within one of Driffield's most sought after areas.

DRIFFIELD

Driffield remains a market town, notwithstanding the closure of the livestock market in 2001. The central shopping area includes a weekly stalled market, with shops providing a wide range of goods and services for everyday needs supplemented by retailers such as B&M, Iceland, Boyes, Peacocks, Yorkshire Trading, Tesco and Lidl. Many local shops provide a personal service, in addition to a wide range of goods. Other amenities include a modern Sports Centre with swimming pool, cricket, tennis, bowls, football and rugby teams, dancing, gyms etc. together with many clubs and associations. Road and rail links to the neighbouring coastal market towns, including Beverley, Hull and beyond.
