Castles Hackney present this spacious two double bedroom ground floor flat, offering an excellent opportunity for buyers seeking a property with strong potential. The home features two well-proportioned double bedrooms, a generous living area with double doors leading through to the kitchen, and direct access to a private wrap-around garden – a rare and highly desirable feature, ideal for entertaining or relaxing outdoors. While the property would benefit from modernisation, it remains perfectly liveable in its current condition, providing a fantastic blank canvas for buyers to update and add value over time. Further benefits include garden access via the second bedroom and the advantage of being offered to the market chain free.

Ideally located, the property is within walking distance of Rectory Road Station and Clapton Station, offering convenient links into the City and surrounding areas. The green open spaces of Downhills Park are just a short stroll away, while the vibrant amenities of Stoke Newington High Street provide a wide selection of shops, restaurants, and bars. Popular cafés along Evering Road are also close by, adding to the appeal of the location. The area is further enhanced by a number of well-regarded local schools, making it an attractive choice for both first-time buyers and growing families.
