Stone Cottage, Sunny Bar

Great Longstone, DE45 1TL

Description

Situated in the charming village of Great Longstone, this semi-detached cottage presents a rare opportunity to own a piece of history. Dating back to mid-18th Century, this delightful property is believed to be one of the oldest in the area, showcasing stunning stone construction and period features that add character and charm.

Spanning 924 square feet, the cottage boasts a welcoming open plan living and dining room, which has additional natural light thanks to its dual aspect windows. At the heart of this space lies a beautiful coal burner, perfect for cosy evenings. The dining area is thoughtfully zoned, and the galley kitchen is conveniently located nearby. Additionally, a laundry/utility room off the kitchen provides practical space with both power and water supply.

Upstairs, you will find two double bedrooms, one of which also enjoys a dual aspect view and the other has built in storage. The family bathroom features a three-piece suite, and there is access to a substantial loft via a ladder, offering potential for conversion, subject to planning permission.

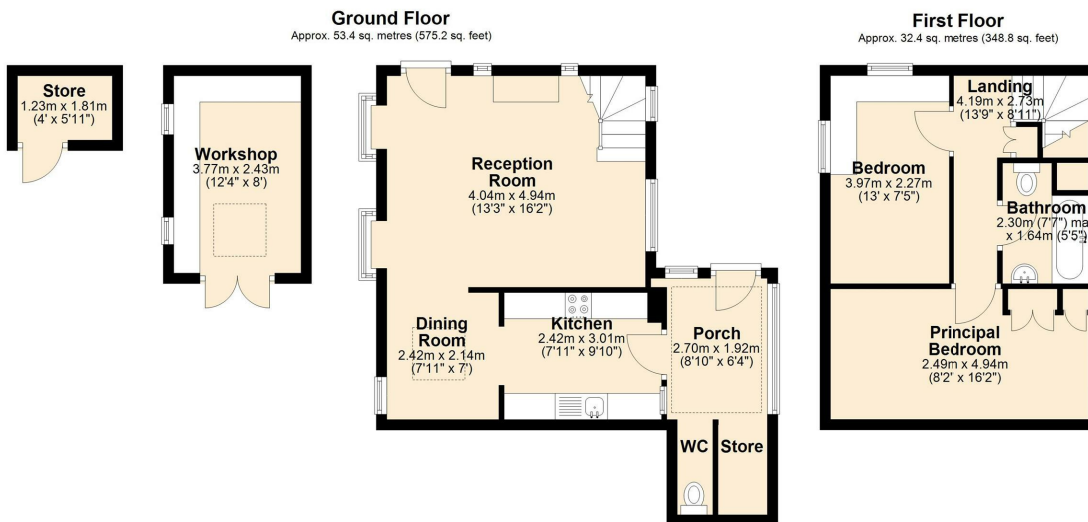

Externally, the property is equally impressive, featuring off-street parking for up to three vehicles—a rare find in Great Longstone. The wrap-around garden provides ample outdoor space, complemented by a coal store and a purpose-built insulated garden room. Currently utilised as a workshop, this versatile space could easily serve as a home office, study, or summer house.

While the cottage does require a general scheme of modernisation, this is reflected in its competitive pricing. Furthermore, the property benefits from no onward chain, making it an attractive proposition for prospective buyers. This unique cottage is a true hidden gem, waiting for someone to bring it back to its full glory.
