PROPERTY DETAILS

At first glance, this attractive three double bedroom townhouse may appear modest, but step inside and you will quickly discover a surprisingly spacious and thoughtfully designed home arranged over three generous levels. Adding to the appeal is the unexpectedly large rear garden, offering ample outdoor space and even the potential to extend without compromising the garden itself.

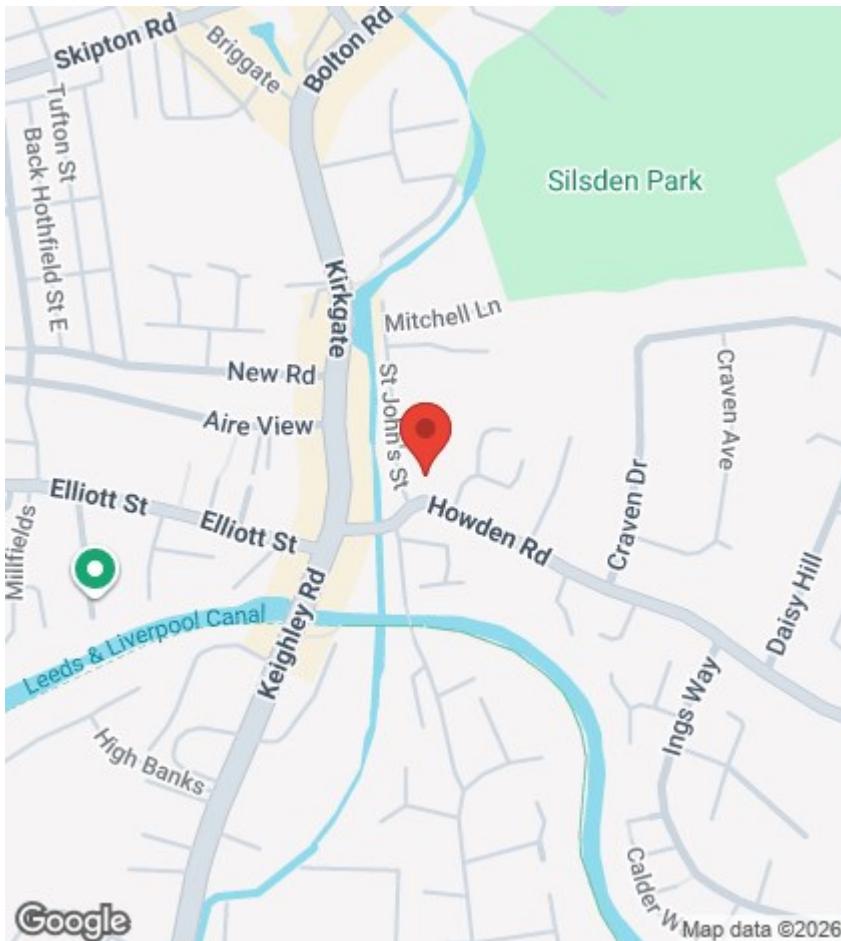

This is a true turnkey property, ready for its new owners to move straight in and enjoy. The welcoming entrance hall features an enclosed staircase leading to the upper floors. The sitting room is light-filled and inviting, enhanced by an attractive fireplace and flowing seamlessly into a stylish, modern and well-equipped kitchen. The kitchen benefits from a useful under-stairs storage cupboard and provides direct access to the rear garden, perfect for both everyday living and entertaining.

The first floor hosts two well-proportioned double bedrooms, one of which includes built-in wardrobes. Completing this floor is a beautifully finished luxury bathroom. Occupying the top floor is a further double bedroom, flooded with natural light from two large Velux windows, creating a bright and airy retreat.

Externally, the property offers off-road parking to the front, while to the rear lies a substantial garden with well-kept lawns and designated seating areas. There is also a shared rear access serving three neighbouring properties.

Ideally positioned just outside the town centre, the home is only a short stroll from the vibrant heart of Silsden, renowned for its picturesque beck, charming waterfall and resident ducks. The town offers a range of everyday amenities, recreational facilities and an excellent primary school. Popular with buyers of all ages, Silsden is a location that truly needs to be experienced to be appreciated.

For those seeking generous internal space, excellent outdoor areas, a convenient location and outstanding value for money, this property is well worth a closer look.
