Hewer Drive, Swadlincote, DE11 9FX

Offers Over £280,000

Occupying a particularly attractive plot on Hewer Drive in Castle Gresley, this beautifully presented three-bedroom detached home combines bright, thoughtfully arranged accommodation with a superb larger than average wrap-around garden. The property has been carefully maintained and offers a welcoming entrance hallway, a generous dual-aspect living room, a modern kitchen and dining room, a ground floor WC and useful utility storage. Upstairs are three well-proportioned bedrooms, including a principal bedroom with fitted storage and an en-suite shower room, together with a modern family bathroom. Outside is where this home truly distinguishes itself. The established garden extends around the side and rear of the house, incorporating lawns, mature trees, colourful planting, a wildlife pond and several seating areas. A private driveway leads to the detached garage, which is currently arranged as a useful hobby and craft room.

Entrance Hallway

The front entrance opens into a bright and welcoming hallway with a staircase rising to the first floor. Finished in a light, neutral style, the hallway also provides access to the principal ground-floor rooms, the WC and useful built-in storage.

Ground Floor WC

A well-presented and practical cloakroom fitted with a WC and wash hand basin, complemented by neutral décor.

Living Room

A generous dual-aspect reception room enjoying

plenty of natural light through windows to the front and side, together with glazed double doors opening directly onto the garden. The room provides ample space for a range of seating and features a contemporary focal fireplace, creating a comfortable setting for everyday relaxation and entertaining.

Kitchen and Dining Room

Extending the full depth of the property, the kitchen and dining room is a bright and practical family space with windows to the front and glazed double doors opening onto the garden. The kitchen is fitted with a comprehensive range of gloss-fronted units, contrasting work surfaces and a stainless-steel sink and drainer. Integrated appliances include an elevated double oven and electric hob with extractor above, while additional space is provided for a dishwasher, and the rest of the appliances space in the utility cupboard. At the opposite end is a defined dining area with ample room for a table and chairs, making this an ideal space for both everyday meals and entertaining.

Utility Cupboard

Useful under-stairs utility area provides space and plumbing for laundry appliances, together with shelving and additional household storage.

First-Floor Landing

A bright central landing provides access to all three bedrooms and the family bathroom. A window above the staircase brings further natural light into the space.

Principal Bedroom

A well-proportioned double bedroom featuring a large front-facing window, fitted wardrobes and its own en-suite shower room.

En-Suite Shower Room

Fitted with a glazed shower enclosure, WC and wash hand basin, complemented by neutral tiling, mirrored storage and a window providing natural light and ventilation.

Bedroom Two

A comfortable double bedroom with a rear-facing window overlooking the established garden. The room also benefits from fitted storage.

Bedroom Three

A well-proportioned single bedroom suitable for a child's room, nursery or home office, with a window overlooking the garden.

Family Bathroom

The modern family bathroom is fitted with a panelled bath with shower and glazed screen above, WC and wash hand basin. Neutral wall tiling, patterned flooring and a window complete the room.

Outside

The property occupies a particularly appealing plot with neatly maintained planting to the frontage. Parking to the front as well as a separate private driveway extends along the side of the house, providing off-road parking and leading to the detached garage.

The larger than average garden is undoubtedly one of the home's standout features, wrapping around the side and rear of the property to create several distinct outdoor areas. Immediately outside the house is a paved seating area, partly covered by a planted pergola-style canopy and providing an inviting place for outdoor dining.

Beyond this, the garden includes shaped lawns, gravelled pathways, raised beds, mature trees and

shrubs, colourful planted borders and an attractive wildlife pond. Further seating areas are positioned throughout the garden, while a timber summerhouse provides additional space for hobbies or relaxation. The combination of established planting, varied levels and secluded corners gives the garden a great deal of personality and interest.

Detached Garage

The detached garage is approached from the driveway and is currently used as a workshop with a loft added for extra storage.
