PROPERTY DESCRIPTION

Occupying a superb position within the sought-after Moorhaven Village, this remarkable five-bedroom residence forms part of the prestigious conversion of the former Victorian Moorhaven Hospital. Surrounded by approximately 65 acres of beautifully maintained communal grounds on the edge of Dartmoor National Park, the property enjoys an enviable setting with glorious southerly views across the surrounding countryside.

Beautifully blending striking period architecture with contemporary living, the accommodation extends over three generous floors and offers an impressive balance of character, space and versatility.

The ground floor is centred around a spectacular open-plan living space, where soaring vaulted ceilings, an elegant bay window and dramatic floor-to-ceiling glazing create a wonderfully light-filled interior. The bespoke integrated kitchen flows effortlessly into the dining and sitting areas, making this an exceptional space for both everyday living and entertaining. A welcoming entrance hall, cloakroom and a versatile fifth bedroom with en-suite shower room complete the ground floor, ideal for guests or multi-generational living.

Overlooking the principal reception is a stunning mezzanine level, perfectly suited as a home office, library or additional sitting area, further enhancing the sense of volume and architectural interest. The second floor provides four well-proportioned bedrooms, including two with en-suite shower rooms, together with a stylish family bathroom.

Throughout the home, thoughtful modern enhancements complement the original

features, including attractive maple flooring across much of the ground floor, a substantial wood-burning stove creating a striking focal point within the living area, gas-fired central heating, uPVC double glazing to the rear, and a well-appointed integrated kitchen.

Outside, the property continues to impress. Tandem parking to the front provides space for up to four vehicles, while to the rear a balcony leads down to a private garden enjoying an open outlook and picturesque views over the surrounding landscape. Beyond the garden, residents benefit from access to the extensive communal grounds, offering acres of parkland, woodland and walking trails, making Moorhaven Village a truly unique place to call home.

Combining historic grandeur with modern convenience in an outstanding countryside setting, this is a rare opportunity to acquire an exceptional home within one of South Devon's most distinctive and desirable developments.
