VIDEO TOUR TO FOLLOW.

This chalet-style bungalow offers generous and versatile accommodation, featuring a large reception hall, two well-proportioned double bedrooms, a kitchen/diner, a good size shower room and a spacious lounge.

The loft was converted many years ago to provide two additional rooms; however, these may not comply with current building regulations and are therefore offered as informal spaces but used as bedrooms by the previous owner for years.

Externally, the property benefits from a large, sunny rear garden, as well as a driveway and garage providing ample off-road parking.

While the home would benefit from updating, it presents an excellent opportunity for buyers looking to modernise and add value.

Ideally located within easy reach of Herne Bay town centre and the seafront, the property is offered chain free.
